European Investment Bank
Calle José Ortega y Gasset, 29
E-28006 Madrid, Spain

EIB: the EU bank

Responding to today's challenges

- The world's largest multilateral lender
- Long term lender
- Raising finance on debt capital markets

- Governed by the EU Member States
- Driven by EU policies
- Implementing InvestEU

- Leading provider of climate finance
- Instrumental in EU Green Deal
- Energy lending policy updated in 2019

- Headquartered in Luxembourg
- 3400 staff in 50 offices around the world

€ 4.1 billion

Last years activity

EIB Priorities for extra-urban roads

Strategic networks

Intelligent transport systems and digital solutions

Road Safety

Infrastructure upgrade and rehabilitation

Road vehicle fleets

Requirements for projects supported by EIB

Green and Resilient Transport:

A clean, Carbon-Neutral and resilient system that does no significant harm to the environment

Efficient, smart and efficient system that achieves its benefits by using technology to minimize the use of resources and to prevent congestion.

Safe and Secure, a safe system that prevents unnecessary loss of life and protect users from attack.

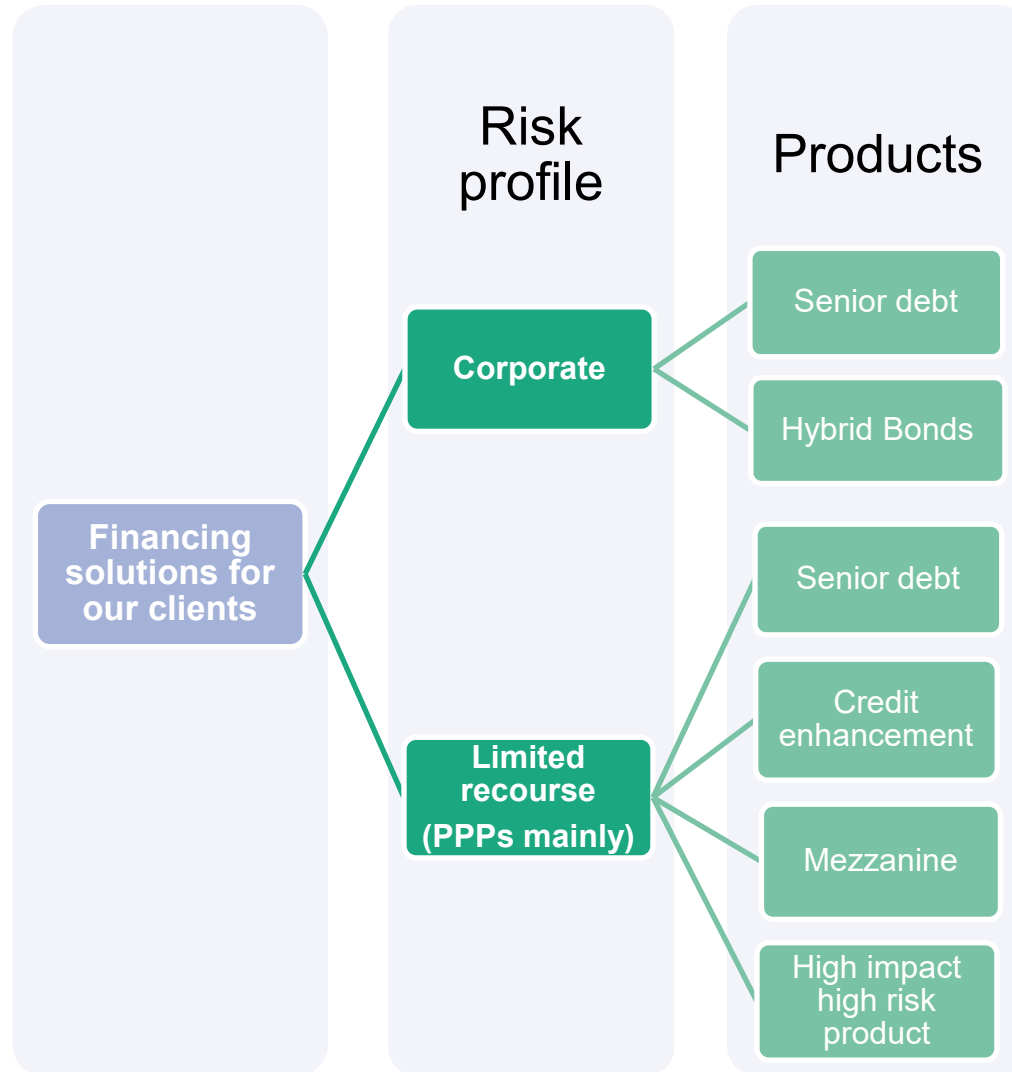

Accessible, An affordable and accessible network available to all who can benefit from the opportunities it provides.

EIB assessment: EIB Transport Lending Policy; EIB policies social, environmental; EIB Climate Bank Roadmap - Paris-Aligned; EU vs Outside EU; Economic test for projects equal or over EUR 25m investment; alternative fuel infrastructure;

Products available for the Sector
