What is PIARC?

- **PIARC = World Road Association**
- We were **founded in 1909** as a non-profit, non-political association
- **First global forum for the exchange of knowledge, policy and practice on roads and road transport**
- We work with **high-income** as well as with **low- or middle income countries**
- We have **129 member governments** - they play a leading role
- As well as members who are regions, universities, companies and individuals.
- PIARC mobilizes the experience and knowledge of **1,900 experts** from more than 80 countries in **23 Technical Committees and Task Forces**.
- Recognised for the quality and neutrality of our work
- Operations structured with 4-year Strategic Plans

Knowledge exchange on all road-related topics

- **PIARC organises knowledge exchange between international road and transport experts through 23 Technical Committees:**

- Ad-hoc dialogue among peers – Discuss issues, Identify solutions, Compare options
- Network building
- Joint work towards commonly-agreed deliverables

- **This knowledge is disseminated widely :**

- Hundreds of Reports, Case studies, Literature reviews, etc.
- Usually in English, French and Spanish. Usually free of charge.
- Seminars, workshops, Conferences
- 5 comprehensive manuals (online)
- Software and tools (HDM-4, QRAM)

- **PIARC Congresses and events: World-class opportunities for:**

- Dissemination of these reports
- Further discussions and debate

Great start to the new 2024-2027 work cycle

- For reference: We published more than 100 reports in 2020-2023
